Ms McKelvie, MSP
Minister for Equalities and Older People
(by email)

Dear Ms McKelvie

On behalf of the Board of Management and Staff of Glasgow Kelvin College, it gives me great pleasure to extend my congratulations to you on your reappointment as Minister for Equalities and Older People.

Glasgow Kelvin College considers equalities to be core to every aspect of its activities. Currently, the College is leading on a new Scottish Government funded study into the effects of COVID 19 on gender-based violence, drawing on experiences from Scotland and India. The College serves an extremely diverse community, including minority ethnic students, many of whom are from our most deprived communities. Partnership is central to our entire equality ethos and we work with organisations including Age Scotland, Fearless Glasgow, the White Ribbon Campaign, and many others.

I very much look forward to meeting you in due course and to discussing how Glasgow Kelvin College can support you in your new role.

Yours sincerely

Derek Smeall
Principal & Chief Executive
