10 March 2021

Dear Derek

Financial Statements 2019-20

We can now confirm that the accounts for Glasgow Kelvin College have been laid before the Scottish Parliament. Under the terms of section 22(5) of the Public Finance and Accountability (Scotland) Act 2000, the College is now able to make the 2019-20 Financial Statements publicly available.

You may be aware that for the past few years the Funding Council has made college accounts available in PDF format on the Funding Council's web-site. The availability of a central source should avoid the need for a potentially time-consuming exchange of accounts between colleges and is a useful facility for other stakeholders. We asked for a PDF version (unsigned) of your College's 2019-20 accounts to be sent along with your annual returns, which I can confirm we have received. These will be available shortly at the following link – http://www.sfc.ac.uk/governance/institutional-sustainability-governance/institutional-sustainability/college-sustainability/college-financial-statements-2019-20.aspx

Yours sincerely

Andrew Millar
Assistant Director, Institutional Sustainability
and Governance (ISG)
