- Work experience;
- Voluntary work;
- Portfolio;
- References from schools, employers etc;
- Home responsibilities; and
- Experience of diverse communities/cultures.

Where this is appropriate, students will be notified in advance of the requirement to do so;

7.5. English Language Proficiency

Applicants for whom English is not their first language may need to provide evidence of English language proficiency suitable to their intended level of study as a condition of their offer.

It is not necessary for candidates to have the required grade in an acceptable English language qualification prior to application, however if an English language qualification is a condition of an offer the applicant will have to have achieved the required qualification prior to registration and before the end of August in the year of admission.

7.6. Multiple applications

Applicants who make applications to more than one programme at the College within the same cycle will be considered for all programmes applied to. An applicant can submit a maximum of three applications per academic cycle.

Applicants who make repeat applications across different cycles will be considered independently without influence of previous admission decisions.

The College accepts applications for deferred entry limited to a single year. Equal consideration is given to deferred entry applicants. Faculty staff will make the final decision on deferred entry application.

7.8. Interview/Events

The College may invite applicants to attend an interview/event prior to making a course place offer. This requirement will be limited to courses where the interview adds value and provides insight into the competencies of the applicants and their ability to successfully complete the course. Interviews are therefore more likely to be used for Higher National level courses.

Faculty staff are responsible for designing and running these at course/area level. They normally include one or more of the following;

- One-to-one interview
- Group task/interview
- Practical task
- Written Task
- Aptitude test

Following the assessment of a completed application, and an interview/event if this has been undertaken, applicants will receive one of the following decisions:

- A conditional offer – the College wishes to make the applicant an offer provided that certain conditions (for example, a particular standard in future examinations) are met.
- Applicants must accept their offer online using the [College's online application platform](#) within the time period or date stated on their offer letter. Failure to accept an offer by the stated date can, in some cases, result in the offer being withdrawn. Applicants may accept more than one offer.
- A referral/rejection – the applicant is not suitable for the course, or the applicant has not met the entrance requirements or selection criteria for the course to which they applied. If possible, applicants will be referred to a suitable alternative course, if no suitable alternative is available, applicants are informed of the information, advice and guidance available to them.
- The Admissions team at the Glasgow Kelvin College make every effort to ensure that errors are not made during the application process. However, we recognise that it is possible that errors may occur occasionally. The College reserves the right to amend errors as appropriate.

Throughout the application process applicants receive regular email updates regarding the status of the application. Applicants can also log in to their online account to view the status of their application. Online access options may not apply to some prospective students and returning learners who require additional support or external assistance.

8. Applicants with disabilities

- 8.1. Applications from disabled students will be assessed against the College's entry requirements on the same basis as any other application, and will be subject to the same selection process. Any support needs or adjustments which are required will be considered separately, after the admissions decision has been taken.
- 8.2. All applicants who are invited to attend an interview/event are informed of how they can access Learner Support at the interview/event if required
- 8.3. Where an applicant has declared a disability on their application form, this information is passed to the College's Advice, Guidance & Learner Support Team to make an initial assessment of the declared information and follow up where appropriate. The disability assessment is done independently from the decision-making process. The College will make reasonable adjustments in line with its legal duties to meet the needs of applicants with disabilities.
