**Community Empowerment (Scotland) Act 2015**  
**Annual Report for Year Ended 31 March 2023**

**Report by Director of Estates and Corporate Services**

**1. Introduction**

Glasgow Kelvin College is required to report annually under the terms of the Community Empowerment (Scotland) Act 2015 on both formal Participation Requests and Asset Transfer Requests.

The purpose of this report is to satisfy the reporting requirements set by the Act for the year ended 31 March 2023.

**2. Community Involvement**

Glasgow Kelvin College considers itself to be a community-based organisation which serves, and is integral to, communities predominantly in the North and East of Glasgow. The College is a registered charity and engages with the communities it serves in a wide variety of ways. These include:

- Over this reporting period, offered free access to College Campus buildings for community groups within the terms of its letting policy;
- The operation of a community learning network with 35 community-based learning centres which provide free access to the internet and other ICT resources to local people;
- Senior staff participation in statutory community planning frameworks;
- Provision of support for local charitable organisations through enabling College staff to participate as trustees on Boards;
- Working in partnership with a wide variety of organisations and funders to deliver public services, including:
  - Glasgow City Council;
  - The Wheatley Group;
  - Glasgow East Arts Company;
  - Glasgow Colleges Regional Board;
  - Glasgow Rocks;
  - Glasgow Community Planning Partnership;
  - The Glasgow Chinese School;
  - The Glasgow Russian School;

  - Glasgow Folkmusic Workshop;
  - Youth Enterprise Scotland;
  - Scottish Council for Voluntary Organisations;

- Scottish Funding Council;
- British Council;
- Play Netball
- Skills Development Scotland, and
- Cycling Scotland.

The College seeks to operate in a way which enables local community groups and community leaders to engage with the College to influence the services it provides, including how our services are delivered and their effectiveness evaluated.

Recognising the strategic importance of working in partnership, the College Board of Management have identified partnership working as a strategic priority, which contributes to the overall framework for the College approach to partnership working.

As a consequence of its open, transparent and flexible approach, the College considers it unlikely that local organisations would seek to engage with the College through the formal exercising of the provisions of the Community Empowerment (Scotland) Act 2015.

The College also seeks to provide a wider report on its Corporate Social Responsibility performance as part of its published annual report.
