Hi Matt and Rachael,

That is wonderful news! Thank you for letting us know. I am copying in Lisa Clark, Assistant Principal of Estates, Corporate Planning, and Governance, and Claire Reid, Head of Facilities and Environmental Sustainability, as I am sure they will be keen to be involved in discussions.

All the best,

Sarah

OFFICIAL

Good afternoon

I am pleased to say that we have now been offered funding to do the path from the collage to the station

Rachael will be leading on the project and will be happy to discuss how it connects up / maintenance and other issues.

Hope this is positive news

Hi Matthew

I got your details from Helen Carrol of Spirit of Springburn, who we work in partnership with regarding community learning opportunities. Helen mentioned that there could be an update regarding the Springburn station and potential new path route.

I am copying in my colleague Sarah Shea, Environmental Sustainability Manager at Kelvin College. It would be great to learn of any progress or plans, and how we can be involved.

Kind regards

Claire
