Key Priorities

Vision

“ Our vision is for Glasgow to be a world class city, with thriving and resilient communities where everyone can flourish and benefit from the city’s success.

Key Objective

- **Inclusive Growth for Glasgow, where**
 - Everyone benefits from the city's success no matter where they were born or live
 - Everyone has a good start in life and is supported at key stages of their life
 - There is greater equality and better health, including mental health and wellbeing
 - Everyone is supported to realise their potential
 - People live in clean and safe neighbourhoods
 - People have the skills and connections in their community to be more self-reliant and take more control over their lives and community
 - People are listened to and take part in decisions affecting their lives and neighbourhoods
 - Agencies and community groups will help people make the most of what is on offer in their local neighbourhoods

Focus Areas

- Economic Growth
- Resilient Communities
- A Fairer More Equal Glasgow

Inclusive Growth

Priority Areas

- **Transport**
 - To ensure people and communities are connected to local and city services, opportunities, learning and jobs, and to tackle social isolation and mental wellbeing
- **Childcare**
 - As a gateway to learning and work opportunities for parents and carers, a good start in life for our children, and tackling poverty (particularly in-work poverty).

Partnership working

How can the College help?

- Glasgow CPP
 - Strategic Board & Executive Group
- North East Sector CPP
 - Develop sector action plan
