Step 1 – Identification and Scope

Brief description of the decision, policy or practice being assessed

Glasgow Kelvin College is committed to taking all reasonable precautions to secure the health and safety of those carrying out work activities and will ensure, so far as is reasonably practicable, that employees, contractors and anyone else required to work alone or unsupervised for any period of time are protected from risks to their health and safety.

Aims of the decision, policy or practice?

This policy has been developed to protect employees and others required to work alone or unsupervised, so far as is reasonably practicable, by controlling the foreseeable risks they may be exposed to. It aims to provide managers and staff with guidance and advice in addition to the training provided.

Who is affected by the decision, policy or practice?

- Students
- Staff
- Members of the public/Stakeholders

Step 2 – Research and Consultation

Outline evidence / research

The Health and Safety at Work Act 1974 etc.
 The Management of Health and Safety at Work Regulations 1999
 BS OHSAS 18001 Occupational Health and Safety Management
 Accident / Incident statistics (Age/Gender)
 HSE - Health and safety guidance on the risks of lone working
 HSE – Lone Workers
 Health Working Lives – Lone Working
 TUC – Lone Working – A Guide for Safety Representatives

What consultation has been undertaken on this policy or practices, including consultation with those affected?

Senior Management
 Human Resources
 Trades Unions
 Safety Representatives
 HSE
 Managers
 Staff
 HR Committee – 28.11.18

Research Key Findings

The circumstances of accident/incident reports are confidential; however, the College can confirm that from the data and review there were no equality issues evident in any of the issues which were reported during the timeframe.

The College has a Zero Tolerance approach and incidents are managed through the appropriate staff and student policies.

The College is taking forward the Equally Safe Toolkit produced by University of Strathclyde and how this will be incorporated in the GKC policies and practices.

Is there any evidence that different groups have, or may have, different needs, experiences and priorities in relation to this policy or practice?

Step 3 – Assessing the Impact

What impact could the proposal have on people who share protected characteristics (positive, negative and/or neutral?) Please provide details below.

Protected Characteristic	Likely Impact – state why impact is positive, negative and/or neutral
Age	No impact
Disability	Potentially an impact for Lone Working as emergency evacuation provisions would need to be reviewed and adapted or working areas specifically defined to allow for solo evacuation.
Gender	No impact
Gender reassignment	There is insufficient evidence to assess the impact
Marriage and Civil partnership	No impact
Pregnancy and Maternity	Potentially an impact for Lone Working as emergency evacuation provisions would need to be reviewed and adapted or working areas specifically defined to allow for solo evacuation.
Racial group	No impact
Religion or belief	No impact
Sexual orientation	No impact

Step 4 – Taking Action

Detail the actions you would take to remove or minimise any actual or potential negative impacts identified, and to build positive impacts.

PEEP considerations will be reviewed or adapted to enable disabled and pregnant staff to conduct lone working by the staff member and manager.

Staff undertaking lone working will be provided with additional safety awareness training and provided with equipment (such as mobile phone). Appropriate measures are in place to ensure the safety of staff such as panic buttons at each reception area on campus.

Manager and staff issued with pointers and checklist.

Step 5 – Monitoring and Evaluation

Identify how this policy will be monitored and any areas of concern reported.

Incident statistics are reviewed annually by the Health and Safety Committee, SMT and the Board of Management to assess impact on lone workers and appropriate steps taken where required.

Please present your EIA with recommendations for endorsement. All EIAs will be published on the Portal and added to the current record of EIAs.
